Please call me Celicil when we're alone, Haru-sama♥
3
What's the matter?
What do you mean by bed service!?

Do you really plan on making a young maiden say that?
!!

Haru-sama, you tease♥
Ah!
If you make too much noise,
Those two will hear us.
5
Even if you whisper, I can still completely hear you...
Still, what are those two doing...
If I'm so curious, then I can just go there and check.
... But ...

What right do I have...?
Hanasaka and I are just classmates, nothing more than that ...
Besides...
Hanasaka, how do you feel about me...?
I still haven't gotten an answer for that.
Stop it, Colette-san! We shouldn't be doing this yet-
Ah!
Still within the acceptable limits.
Haru-sama, you're so hot♥ Your face is flushed!
Look, you're so hard♥
Not!
Your mouth may refuse, but your body is honest!
Still within the acceptable limits.
Still within the acceptable limits.

Shiki-shima-san! What are you doing!?

Haru-sama, that's all for tonight.
Have a nice day.

You've got it all wrong, you two!

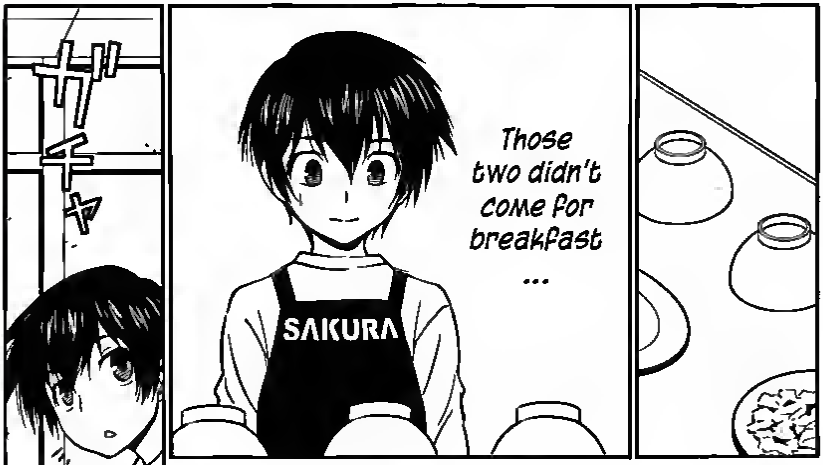
Have a nice day.
...Have a nice day...

Who are you making excuses for!?
Good night!
SLAM
Ah! Are you okay, Shikishima-san?
Himeshiro-san...

11



Those two didn't come for breakfast ...
SAKURA

Thank god! They're here!
Morning!
Good morning.
Morning.
Shikishi-ma-san, are you alright?
Yes. Apologies for causing you worry.
SAKURA

Ah! Sorry!
It's kinda hard to eat with you staring.

I'll look the other way!

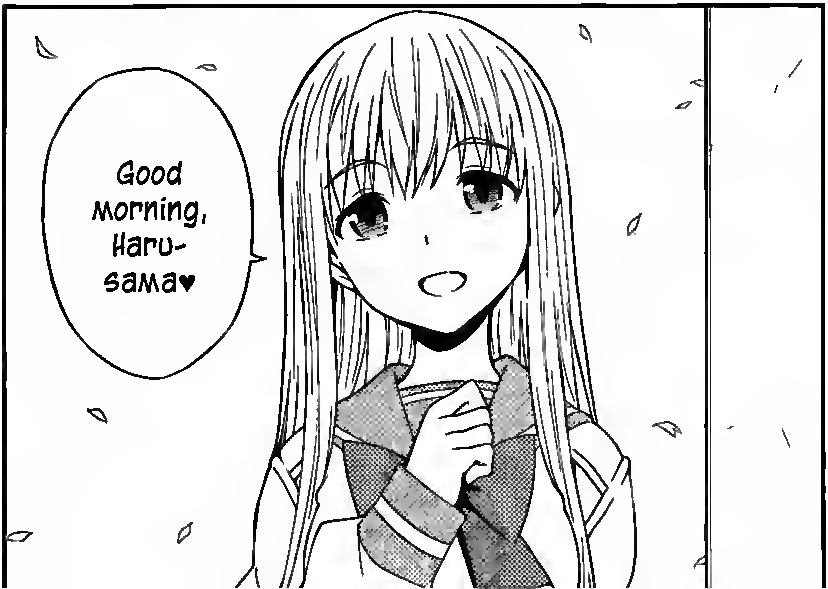
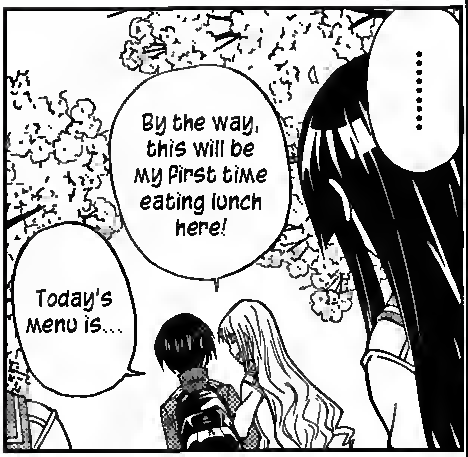
Ah, seconds? Go on and eat! For yesterday's share, too!



Good morning, Haru-sama♥



.....
By the way, this will be my first time eating lunch here!
Today's menu is...

Well, it's a good thing they're getting along.

For some reason ...
I don't want to go to school today.

I'm glad for the compliment, but I didn't really do anything.
Not at all! The soul of pro-wrestling is the "uke". As expected of you, Haru-sama!

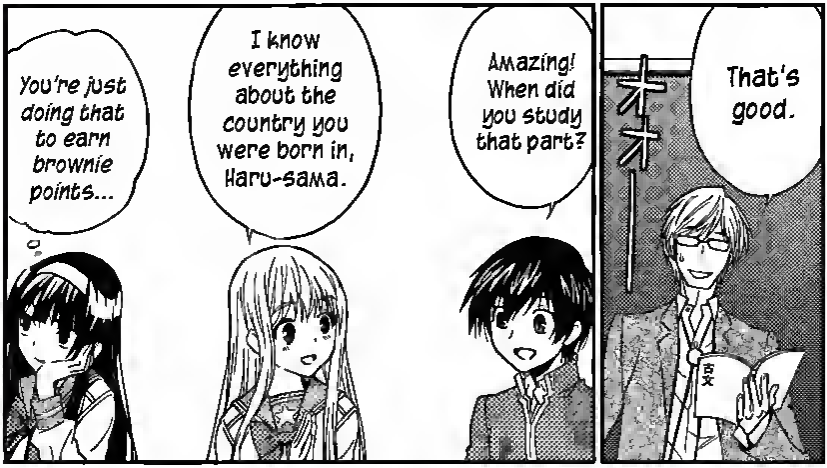
...And so, she'll be officially transferring to this school starting today.
I'm Celicil Hanamizuki Colette.
Haru-sama, please call me "Secchan".
Secchan, huh...
Secchan. I see!
Secchan...
No need to worry about that.
So, uh... About your seat...

別冊 毎月12日発売!!

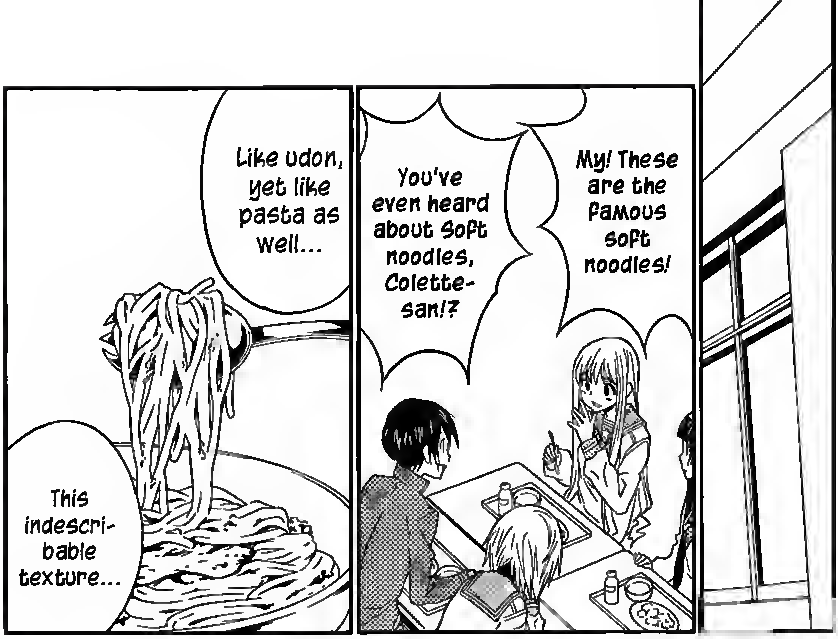
I'll be sitting here, if you don't mind♥
Oh my, Himeshiro-san. Did you want to sit beside Haru-sama?
Wh-What are you-
17
Don't be ridiculous! No way would I want to sit beside him!
Then there's no problem, is there?
You don't want to beside me!?
.....

Even though the sunlight pours down on us, quietly and peacefully,
Why do the cherry blossom petals fall so hurriedly?
Does anyone know the meaning of this poem?
Me!
Yes, Colette?

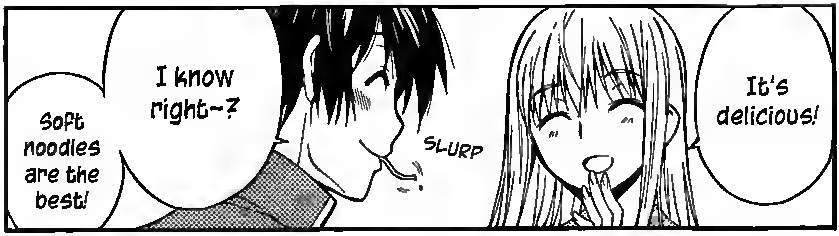
18



You're just doing that to earn brownie points...
I know everything about the country you were born in, Haru-sama.
Amazing! When did you study that part?
That's good.



Like udon, yet like pasta as well...
You've even heard about soft noodles, Colette-san!?
My! These are the famous soft noodles!
This indescribable texture...



I know right~?
SLURP
It's delicious!
Soft noodles are the best!

19

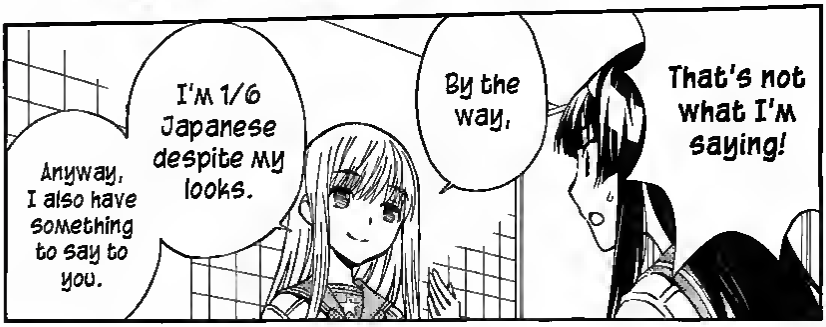
Haru-sama, why don't we continue this Showa discussion on the rooftop?
Sure! The weather's great, too! Let's go!
You can have mine.
?

But hurting a girl, even for pro-wrestling, doesn't feel right to me...
By the way, Haru-sama. I'd be delighted if you be the one to show me some pro-wrestling moves this time.
You're very knowledgable about pro-wrestling, Colette-san. I admire you for that!
No worries! To begin with, being the "uke" is the specialty of women!
Hm? I'm not sure what you mean, but you're really amazing, Colette-san!
In fact, I wouldn't mind whatever you do to me, even outside the bounds of pro-wrestling. Do as you wish to me, Haru-sama♥
It's because that girl is very, very suspicious.
I'm not pissed off because I'm jealous or anything.

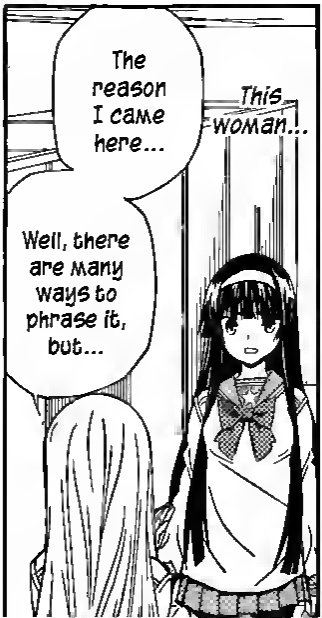
Even though a little while back, I myself hated this kind of lifestyle.
I'm becoming more and more like a bitch as the days go by...
But now, the thought of it being destroyed gives me this unpleasant feeling.
Women's Restroom
21
Why do I have to hide!?
I'm not doing anything I should be guilty for! In that case...!
Haru-sama about this later.
I need to tell
In the first place ...
There's a limit to being selfish.
Wow! It's my first time seeing a real Japanese toilet!
Crap! That voice...!

I'M fine with being a bitch!
Hey!
What are you plotting!?
Now that it's come to this, I just have to keep hitting her with questions until she breaks down!
The daughter of the world's leading tycoon comes to this school even though they're not even from this country!
Anybody would think something was up!
My, Hime-shiro-san.
Plotting? What ever do you mean?
22

Has no right to fall in love with Haru-sama?
Are you saying that a foreigner
My. What an odd statement.

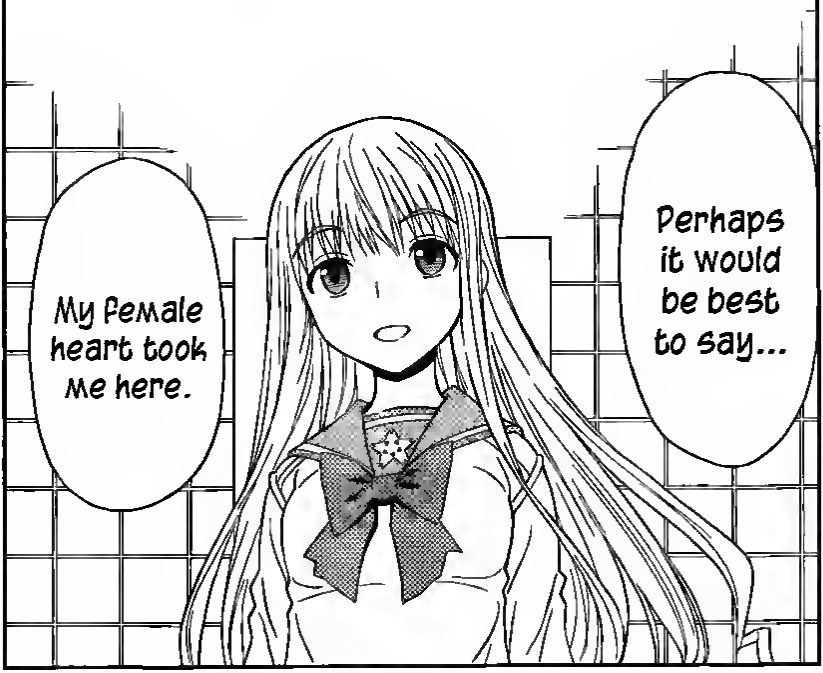


Anyway, I also have something to say to you.
I'm 1/6 Japanese despite my looks.
By the way,
That's not what I'm saying!

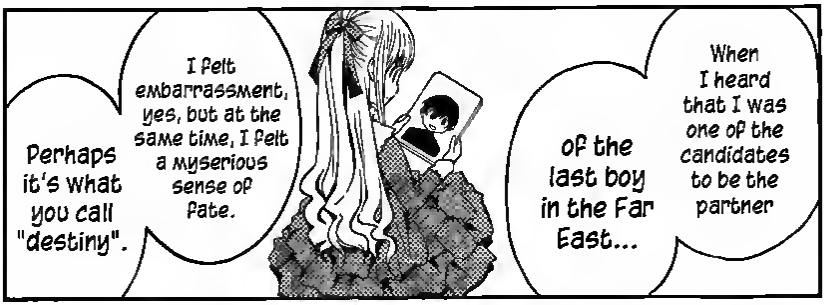


The reason I came here...
This woman...
Well, there are many ways to phrase it, but...

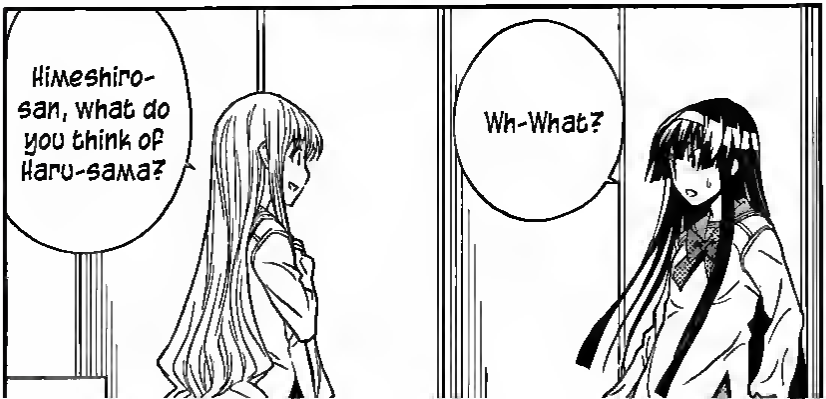
Knowing what its goal is and what it's for.
Himeshiro-san, you came this school
I should be asking *you*: What are *you* plotting?



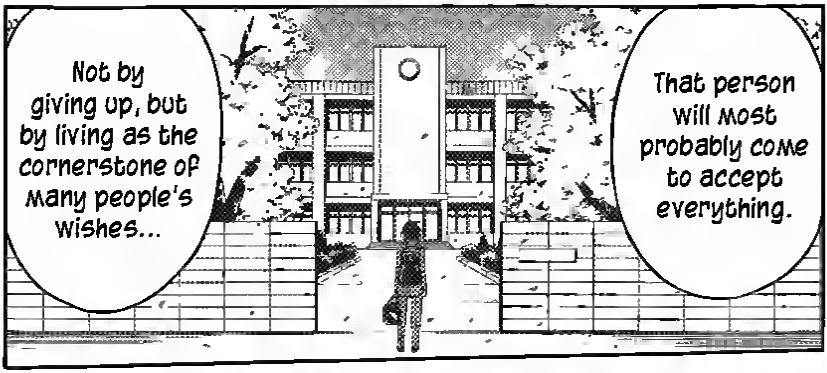
My female heart took me here.
Perhaps it would be best to say...



Perhaps it's what you call "destiny".
I felt embarrassment, yes, but at the same time, I felt a mysterious sense of fate.
of the last boy in the Far East...
When I heard that I was one of the candidates to be the partner

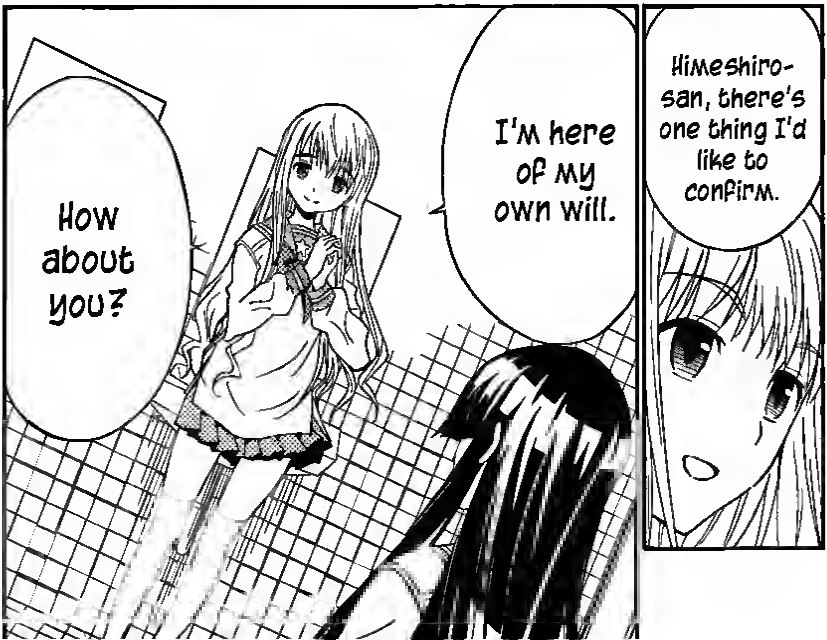


Himeshiro-san, what do you think of Haru-sama?
Wh-What?



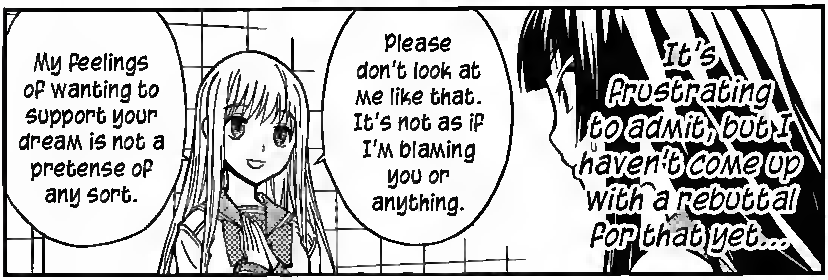
Not by giving up, but by living as the cornerstone of many people's wishes...
That person will most probably come to accept everything.

It's not like that for me. Perhaps it's the Japanese blood in me at work.
I've never though of Hanasaka like that!
In my country, men like those are quite disfavored, however...

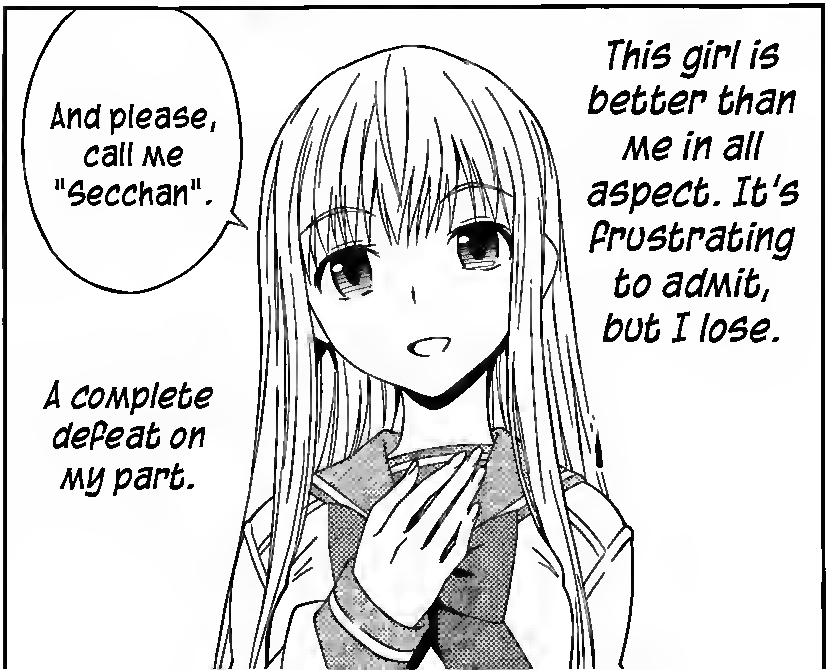


How about you?
I'm here of my own will.
Himeshiro-san, there's one thing I'd like to confirm.

My will is...
My will...



My feelings of wanting to support your dream is not a pretense of any sort.
Please don't look at me like that. It's not as if I'm blaming you or anything.
It's frustrating to admit, but I haven't come up with a rebuttal for that yet...



This girl is better than me in all aspect. It's frustrating to admit, but I lose.
And please, call me "Secchan".
A complete defeat on my part.

All I have going for me is that I was born as a person, as a woman of this country.
No way!? Why is Hanasaka here!?
Himeshiro-san.
I don't want him to see me looking like this...
I'm sure I'm making a horrible face right now!
...away...

Go away, Hanasaka!!
Now I'm really just venting my anger on him! I need to apologize-
What's wrong, Himeshiro-sa...
Hanasaka-sama!!

It's nothing.

But...
I've been looking for you, Hanasaka-sama!
Milady is in danger!

You mean Colette-san!?
Hurry, please! This way!
Go, Hanasaka.
Himeshiro-san, at the very least, believe this!
No matter what, no matter when,
HURRY!

I'M GLAD THAT I MET YOU, HIMESHIRO-SAN!

We must hurry!
PLEASE, BELIEVE ME!
NO MATTER WHAT! BELIEVE ME!
BEFORE ASKING ME TO BELIEVE YOU,
DON'T YOU HAVE SOMETHING ELSE TO SAY!?
YOU'RE REALLY A MORON!

But...
Not like I can help it...
Not With Hanasaka ...

Infirmary
Can I ask you something?
Yes? What is it?
What happened? How did she get like this?
Are you asking for my explanation? Well then...
It all began with a statement Milady made. "I want to see a pool," so she said. In this country's school, the only pool is for entertainment purposes,
And it was quite an enormous existence as such, though I did not understand the purpose, I did as Milady asked and led her to the pool. However...
Ah, yeah. Sure. I got it. Thanks.
For now, we just gotta do something about her!
Yes! First is to try CPR.
CPR!?
Hurry! At this rate, Milady will-
W-Wait a second!

I will gladly accept your "seed" today, Haru-sama!
Please call me Celicil when we're alone♥
Cole... Secchan.

No need to be so roundabout about it... You can learn all about me after the deed.
ワイ
We can't!! I still don't know you that well, Colette-san!
We don't have to worry about any disturbances here, either.

As long as you've made some children, you'll break free from the things that bind you.
Please, use me for that purpose, Haru-sama.

Crap... My heart's beating fast again...
I wouldn't know what to do with you, not with the way I am right now!
No need to worry about me.
In fact, that's exactly what I want.
No! We can't!
This isn't right!

Haru-sama, do you hate me?
Please...
That's not it!!

When you said that you wanted to love the same things that I do, I was so happy. Really.
It was my first time having so much fun talking about the Showa Era with anyone.
That's why,
I...
Then please-

I WANT TO KNOW MORE ABOUT YOU,
AND LOVE THE THINGS THAT YOU LOVE!!

36

Such...

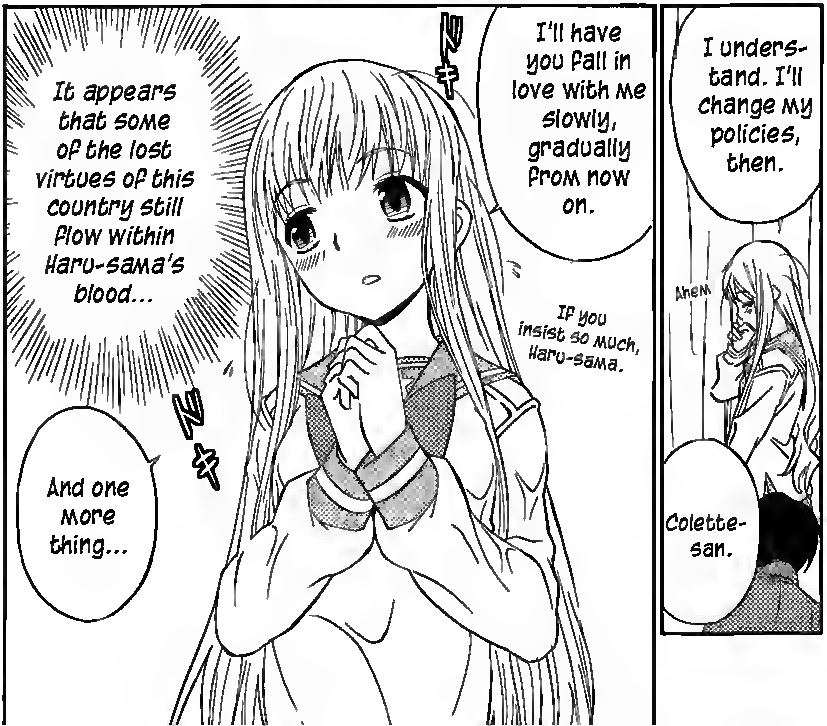
Innocence!!
I feel quite embarrassed, for some reason.

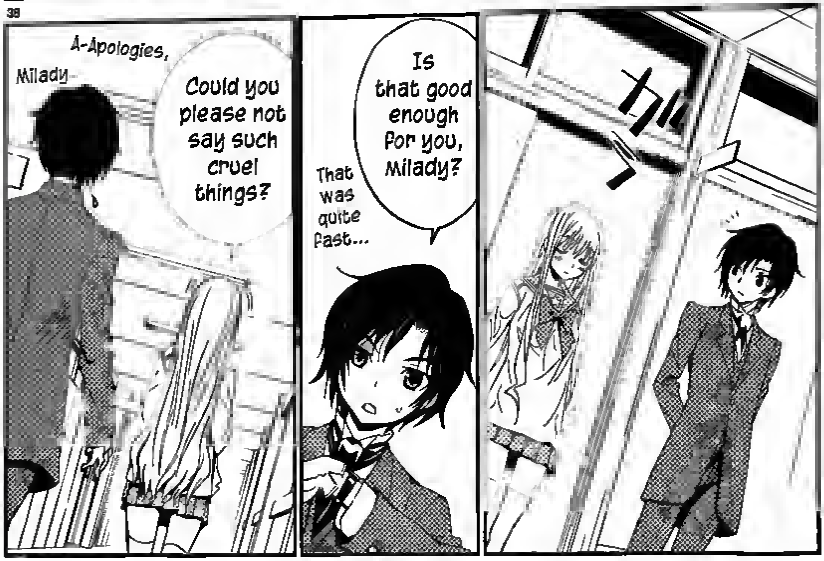


I understand. I'll change my policies, then.
Ahem
Colette-san.
I'll have you fall in love with me slowly, gradually from now on.
If you insist so much, Haru-sama.
It appears that some of the lost virtues of this country still flow within Haru-sama's blood...
And one more thing...

I did this with good intentions.
I'm not quite as shameless and slutty a woman as I appear to be.
Please, don't get the wrong idea!

Ah,
Okay.

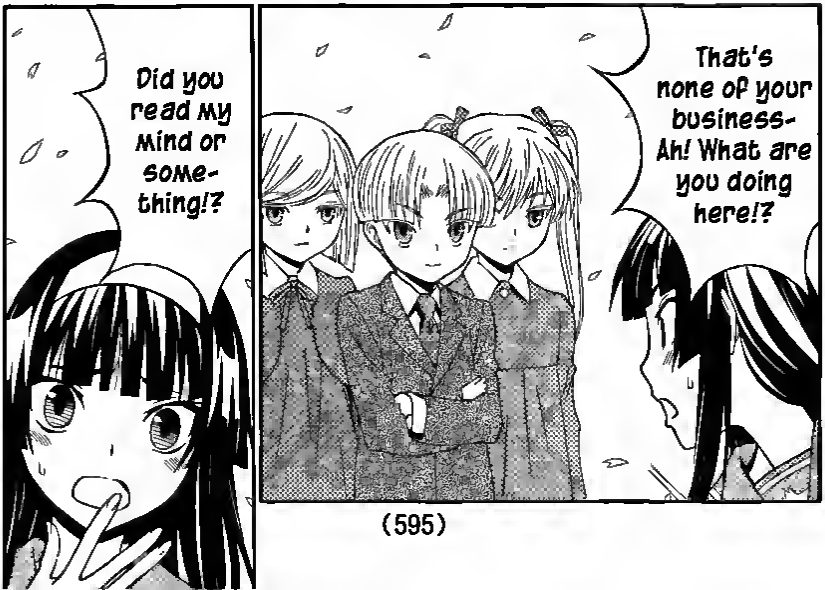
38



A-Apologies, Milady
Could you please not say such cruel things?
That was quite fast...
Is that good enough for you, Milady?

I'm glad that I met you, Himeshiro-san!
What's with that foolish look on your face?
ジト

39



Did you read my mind or something!?
That's none of your business- Ah! What are you doing here!?

EVEN AS THE DISTANCE BETWEEN HANASAKA AND CELICIL BECOMES SMALLER, SOMETHING IS HAPPENING TO THE NEWGEN'S QUEEN, SHIKISHIMA!

Who'd want to do that? Or what? Do you want us to read it?
Nooo! It's embarrassing! Stop it!!
Anyway, Sakurako! I need a favor from you!
Favor?
